Sage Payment Solutions Integrate and Save Promotion Valid Through 9/30/11

Current customers that enroll and transact with Sage Payment Solutions will receive a free Sage ERP MAS Credit Card Processing module and the choice of one additional promotion below!

1. Up to \$1,500 credit toward the cancellation of their current payments contract with another merchant services provider.
2. \$1,500 toward their Sage Payment Solutions transaction fees.
3. \$1,500 customer rebate toward upgrading to the current version of Sage ERP MAS.
4. \$1,500 credit toward the purchase of select Sage ERP modules or user licenses.

Promotion Details and Requirements:

- The Sage Payment Solutions promotion is limited to the first 150 customers that enroll for the first time with Sage Payment Solutions. Offers are limited to one offer per customer.
- All Sage ERP MAS 90, 200, and 500 customers that have a current Sage Business Care plan qualify for this offer. Customers may reinstate Sage Business Care plan at time of purchase to qualify. Customers must be a first-time enrollee with Sage Payment Solutions. Sage Payment Solutions enrollment subject to underwriting approval. Cannot be combined with any other promotion. Offer expires September 30, 2011.
- As a reminder, customers that enroll with Sage Payment Solutions will receive the Credit Card Processing module for Sage ERP MAS at no additional product or maintenance charge.
- Customers that choose **option I** will receive up to a \$1,500 credit once the first transaction is processed through Sage Payment Solutions. Sage will provide a credit of up to \$1,500 of the documented cancellation fee on the customer's merchant statement. Offer will expire if customer fails to transact within 90-days of account approval.
- Customers that choose **option II** will receive up to \$150 per month credited toward Sage Payment Solutions fees over 10-months. The initial credit will be applied once the first transaction is processed through Sage Payment Solutions. Offer will expire if customer fails to transact within 90-days of account approval.
- In order to receive the upgrade rebate in **option III**, there are two requirements: 1) Customers must provide proof of upgrade to the current version of Sage ERP MAS by December 31, 2011, to qualify and 2) Customers must have enrolled with SPS and received a new merchant ID by September 30, 2011. Sage will provide a credit of \$1,500 on the customer's merchant statement. Offer will expire if customer fails to transact within 90-days of account approval.
- ISV, endorsed solutions, and third-party products are not eligible toward the discounted module as offered in **option IV**. Customers that choose **option IV** will receive the \$1,500 credit once the first transaction is processed through Sage Payment Solutions. The credit provided in **option IV** must be used by September 30, 2011. Standard maintenance fees will apply to add new modules or users to existing plans.

**Promotions do not apply to software maintenance or support.
